

The Professional models are the best choice when the maximum capacity and stability are required. Manufactured with the greatest care and high quality materials, these models are greatly appreciated for their sturdiness that is assured by their frames entirely made of steel and the bigger wheels.

Art. 415

Professional hose reel cart, extremely strong, recommended for winding up hose for large grounds and also for industrial uses.

Steel made and coated with non-toxic polyester powder. Equipped with inflatable tires and two large revolving hose holders made of brass to guarantee the real 1" water flow.
